

COVID-19

Posted 14 April 2020

TO ALL OUR CUSTOMERS AND SUPPLIERS

The Swale & Ure Drainage Board is still fully operating, although we have revised certain operating procedures to protect our Management Team and Contractors.

If you need to contact us please be aware of the following:

1. The offices are closed to all members of the general public. If you need to contact us please either e-mail us on info@sandudb.gov.uk or phone us on 07970 000068. Please be aware that our team in the office may be smaller than usual and it may take a little longer to respond to your query.
2. All face-to-face meetings have been cancelled until the end of May. If you need to contact us, please refer to (1) above; this will be continually revised and updates posted on the website.
3. We have two teams of Contractors working in the District. If you have any queries regarding the work they are undertaking, please do not approach them in person. Please once again, refer to (1) above.
4. Over the past year we have responded to a number of heavy rainfall events. Please help us to keep the Management Team and Contractors safe so we have a maximum team available to deal with any upcoming rainfall.

Ian A Thornton, Chief Executive
